

TIKTOK SHOP

Etapa 1: vá para Central do vendedor - Minha conta - Configurações de conta - Gerenciamento de usuário

The screenshot displays the TikTok Shop Seller Center interface. On the left is a sidebar menu with the following items: Home, Orders, Shipping, Products, Buyer Messages, Promotions, Ads BETA!, Analytics, Account Health, Growth, Apps & Services, Finances, My Account (highlighted with a red box), My Profile, Account Settings (highlighted with a red box), Linked Accounts, and Help. The main content area is titled 'Account Settings' and contains several configuration cards. The 'User Management' card is highlighted with a red box and includes a user icon, the title 'User Management', and the description 'Manage user privileges and access within your account.' Other visible cards include 'Bank Accounts' (Manage bank accounts and payment methods.), 'Warehouse Settings' (Configure your warehouse, inventory storage and shipping activation preferences.), 'Delegation Mode' (Temporarily delegate account management or approvals to another user.), 'Brands' (View your brands), 'Taxes' (Organize your taxes), 'Holidays' (Put your store away.), and 'Communication' (Select your communication preferences).
